

To Managing Directors of
Water Companies and Water
and Sewerage Companies

Engineering Division

Ref: MD53
3 May 1991

Dear Managing Director

**REPORTING REQUIREMENTS (4):
"JULY 1991 RETURN to the Director General of Water Services"
LOTUS 123 TABLES**

1. Further to the letters dated 12 March (MD47), 19 March (MD51) and 26 April (MD52), I enclose a computer disc and additional information on the Lotus 123 versions of the tables.
2. Printouts of the completed tables are required as part of your July Return, together with a certified copy of the completed disc. Please ensure that the values given on the disc and in the July Return are identical. I shall expect the certifier to confirm compliance with this requirement.
3. I enclose a revised set of the 24 tables, which now includes, where appropriate, the Book of Numbers reference numbers. No other changes have been made.
4. If you have any queries on completing the tables contact Rowena Tye or other members of the Engineering Intelligence Division.
5. I am copying this letter to Gavin Watson (DoE), Alwyn Jones (WO), John Bowman (NRA), Michael Carney (WSA) and Michael Swallow (WCA).
6. I am also copying this letter and enclosures to your certifier for information.

*Yours sincerely
Bill Emery*

BILL EMERY
Head of Engineering Intelligence

Note: The enclosures and associated computer disc have not been included in the Dear MD subscription service. Subscribers can obtain copies of the enclosures from the OFWAT library at the usual rates.
